Actinomycosis. (*See* United States—Monthly State reports.)

Aedes aegypti eggs, chlorine as a possible ovicide for [Hatchett] 683

Aedes tortilis (Theobald), a mosquito new to the United States [Staebler and Buren] 685

Alabama. (*See* Name of disease—Weekly State reports; United States—Monthly State reports.)

Alaska, first case of tularemia to be reported in [Williams] 875

Altenderfer, Marion E.: Full-time public health positions in local health departments 866

American Academy of Pediatrics, study of child health services by 607

Andrews, Howard L.: Some physical properties of DDT and certain derivatives 450

Angola: Notifiable diseases 123

Anthrax: (*See also* United States—Monthly State reports.)

Weekly city reports 93, 152, 367, 397, 429, 553, 616, 661, 692, 721, 756, 793, 843, 910, 939

Weekly State reports 63, 689, 790, 835, 907

Antibodies in human serums, prevalence of typhus complement-fixing, in San Antonio, Tex. [Davis and Pollard] 928

Antigen, soluble, from typhus rickettsiae, the nature of the [Shepard and Wyckoff] 761

Antigen, the release of, from certain bacteria on treatment with ether [Shepard] 54

Antigen, tsutsugamushi (scrub typhus), a method for the preparation of, from infected yolk sacs [Topping and Shepard] 778

Antigens, the preparation of, from yolk sacs infected with rickettsiae [Topping and Shepard] 701

ANTU as a poison for the common Norway rat, instructions for using [Richter and Emlen] 602

Arizona. (*See* Name of disease—Weekly State reports; United States—Monthly State reports.)

Aronson, Joseph D.: Experience with BCG vaccine in the control of tuberculosis among North American Indians 802

Arkansas. (*See* Name of disease—Weekly State reports; United States—Monthly State reports.)
